History of M&A

SUNTORY BEVERAGE & FOOD

Japan

In Japan, we have a wide range of categories from water, coffee, non-sugar tea, to special health and functional beverages.

Consumers can find us anytime and anywhere, not only at supermarkets and convenience stores, but also at vending machines stationed all over the country.

We constantly refine our main brands to better serve changing consumer preferences, while being the center of innovation for all regions to create innovative products that exceed the expectations of consumers.

Europe

In Europe, our business revolves around classic, long-seller brands such as Oasis, Lucozade, Ribena and Schweppes that are well known locally and have become a part of consumers' daily lives. We bottle them mainly in UK, Ireland, France, and Spain, and distribute to supermarkets, convenience stores, bars, and restaurants. Our business reaches beyond Europe—we also export these brands from our manufacturing bases to other European countries, Africa, and the Caribbean.

Core Value

2

Creation and Development of Long-Selling Brands

We develop and continuously refine brands that are long beloved by always looking half a step ahead of the ever-changing needs of consumers, which we achieve by going to the “Gemba,” where all values are created.

MONOZUKURI

With the spirit of “MONOZUKURI”—which literally means “crafting things” in Japanese, we pursue unparalleled craftsmanship in every step to bring the best quality and innovation to our consumers.

Quality Assurance

We have established our own Suntory Beverage & Food Quality Policy and are committed to improving the quality of our products and services throughout the value chain.

Suntory Quality Policy All for the Quality

We offer products and services that meet or exceed relevant safety standards and will continue to respond to the desires of our consumers and customers and earn their trust.

1. Each and every member of the Suntory Group wholeheartedly strives to offer products and services from the consumer's and customer's perspectives.
2. We strive to provide our consumers and customers with accurate information that is easy to understand. We earnestly listen to consumer and customer opinions and endeavor to reflect them in our products and services.
3. We abide by laws and regulations.
4. We place a very high priority on the safety of our products and services.
5. We continue to quest for even greater product quality by reference to recognized international quality standards.
